

Hawthorne Rangers Newsletter

Welcome to the fifth Hawthorne Rangers Newsletter
December – 2006 www.hrfc.org.uk

Season so far

This is the last newsletter this year; it's been a very frustrating season so far and although the team have not got the first win we have come very close in a few matches. We have improved tremendously since last season and a number of managers have told us how well the lads have played in some of the games. We just have to keep battling away and with the mini league starting next week we have a chance to get some wins under our belt and show everyone we can hold our own in this league.

Mini League

The mini league should start next week. It has been delayed due to the cancellation of the matches last week, but hopefully we will get the fixtures today and will give all the players a copy of them at training on Thursday. This league gives us a chance against the teams in the bottom half of the table and everyone should give their best in all the matches.

Training

Training will be finishing for this year on the 14th December and because there are no games on Sunday the 24th and 31st Of December we are not due back until Thursday the 4th of Jan 2007 (Training) and the first match of next year will be on Sunday the 7th Jan at the usual time.

Raffle Tickets

Can everyone who has taken raffle tickets please hand them back before training this Thursday? The draw for the prizes is taking place on Sunday the 10th and the tickets need to be given back to us before then.

Xmas Party

We are still trying to arrange something for the team, but it looks like we cannot sort anything out before Xmas. It is possible we will have something soon but it might have to be in the New Year. We will let everyone know as soon as possible when we have something definite booked.

Subs Money

Can I just remind everyone about their subs? If there are missed payments, then we will not have enough money to cover the training and referee costs which amount to £28.00 per week.

Thanks for your support,
