Wigan Trip

Please read this carefully, because if you get it wrong you're likely to miss the boat! Or the minibus...

If you don't already know by now, we are going to see Wigan v Blackburn at the JJB Stadium on Saturday. We have got tickets for everyone and we have hired a minibus to take you there and bring you back. All that will cost you nothing. Aren't we nice?

We want you to get to Silcox for 1pm. This will allow us to leave about 1:15pm. Do not be late as if you are we will have to leave without you.

The game kicks off at 3pm and we should be out of there by 5pm. We will then go to McDonalds, so remember to bring a few quid to buy a Chicken McChicken Milkshake or whatever it is you kids eat these days.

After that we'll head back and will return to Silcox for about 7:00 – 7:30pm.

If there are any problems on the day please call Eddy on the number at the bottom of this newsletter.

Game cancellations

Matches can get cancelled at the drop of a hat for any number of reasons at this time of year. As you saw last week, it was cancelled because of too much sunshine and unseasonable warmth. Please check the website – <http://www.hrfc.org.uk> – for all the latest information. We will always text you too. Failing that, if you're still unsure, give us a call.
