

Hawthorne Rangers Newsletter

Welcome to the first Hawthorne Rangers Newsletter - **July 2006.**

New Kit

You should have just received your kit. Please look after it, and hopefully score or save a few goals in it!

Friendlies

We are in the process of arranging a few friendlies before the season begins. We are hoping to play Jawbone FC, Sefton Taddies and Seaforth Boys over the next few weeks. This will give us a few chances to get the team in order before we start the season. We'll let you know at a forthcoming training session when we are going to play them.

New Season

We still have no more details as to when and where the league will take place this season. Once we get it, we will pass the information on, probably in next month's newsletter.

New website

As you probably all know by now, the new website is online at <http://www.hrhc.org.uk>. It will be keeping track of our progress during the season. You should check the site regularly during the season as all announcements and club news will be posted on there as well.

Training

Because a few people are going on holiday, we are going to have our first **training session on Thursday 27th July** at Silcocks between **6-7:30pm**. However, there will then be **no training the following Thursday (3rd August)**, but we will then resume on the **10th August**, and every following Thursday.

If any of these arrangements change, we will let you know.

Best wishes,

*Irene Bernard, Secretary.
