

Hawthorne Rangers Newsletter

Welcome to the last Hawthorne Rangers Newsletter for this season

May 2007

Last match

Thanks to Norman and John for standing in at our last game. Unfortunately we couldn't be at our last league match against Aintree Celtic and it seems we were really unlucky not to sign off on a win. It has been the story of our season, missed chances, slack defending and some bad refereeing decisions have cost us in a lot of games, hopefully our luck will change next season.

Season overall

Overall we have had a poor season, we didn't start very well in the first game but had really improved in our second match against Crosby Stuart but then lost heavily to Seftonfields. By Xmas we had only picked up one point, but had been a bit unlucky in 2 or 3 games that we lost by the odd goal. We had also lost three players by this time including Eddy who we have missed in defence. Our season finally took off in the new year and our cup run and 4 match winning streak really lifted everyone at the club, unfortunately we then lost Ben with a broken leg and failed in our Semi-Final match and lost our final league game.

Chesterfield Tournament

We will be entering the tournament again at Chesterfield High School on Sunday the 10TH June we will need all players entering to pay £1 towards the entrance fee, final details will be explained at our last training session.

Training

Training is **cancelled** next Wednesday the **23rd** due to AC Milan winning the Champions League and beating Liverpool 3-1 but will resume at the same time on the **30th May**. our final training session of the season will be on the **6th JUNE**.

Ben

Just a quick word to let you know Ben has had his plaster taken off this month and is making a good recovery, hopefully he will be kicking a ball about over the summer and looking forward to the new season.

Summer League

We have been told this week that the Summer League for our age group has been put back to the start of the new season. This means the matches will start sometime in August, because of this we now don't know if we will be taking part in it. We will let you all know when and if we decide to enter.

*Thanks for your support,
