May 2009

End of season – and a new one on the way!

It was a bit of a shame that the season just petered out, especially as other leagues are only just finishing now, but it was the inevitable result of losing lots of weekends to bad weather, as our league simply cancelled half of our fixtures.

As usual, we would expect the new winter league to start in September. Normally we would disappear on an extended summer holiday, but this year we're going to be very kind and keep going right through till August, courtesy of...

Anfield Junior Summer League

We have entered into this competition as we know all of you are eager to carry on playing football. However, this means we need your full co-operation, so read carefully...

All games are on Thursdays and Saturdays, **starting tomorrow May 28th**, except for this Saturday 30th May when we don't appear to have a fixture.

All Thursday games kick off at 7:15pm, so ideally we need you to be there at 6:45pm. Saturday kick offs will usually be either 1:15pm or 2:30pm – and we will always let you know beforehand.

The best way of keeping track on when we're playing is on the website. Go to www.hrfc.org.uk and click on "Fixtures" for all the details. We update this regularly, so if you have internet access you have no excuses!

All games are played on Stanley Park. The best access to it is from Priory Road, where there is a car park. There is a link to the location on our website. If you are stuck for a lift or have other problems getting there, give us a call and we'll try and sort you out. Equally, if you can offer a lift to anyone, please let us know as we may need some help in getting the whole team there! We would really appreciate it.

Here are the first three fixtures:

7:15pm – 28/05/09 - Hawthorne Rangers v Houldings
7:15pm – 04/06/09 – Falcon v Hawthorne Rangers
2:30pm – 06/06/09 – Hawthorne Rangers v JND

Any changes to this, and all fixtures after these, will go up on the site as soon as we find out.

Training

Until further notice, today is the last training session at Silcox. Since we're going to be playing two games a week we don't want to overdo it by having training too.

Subs

Starting this week, we will once again require £2/week off everyone. This is to cover the £25 entry cost to the summer league and the refs fees, which are £10 per game.

See you tomorrow!
