

Hawthorne Rangers Newsletter

Welcome to the fourth Hawthorne Rangers Newsletter
October - 2006

Team Selection

As you are all aware we have recently brought into the club a couple of new players and this has made competition for places very strong. I think you will all agree the team has improved considerably since last year and the new players have been signed to strengthen the squad further. However, because we now have 18 players, it is impossible for everyone to play a part in all the matches and we realise some players will be disappointed when they don't get on to play.

All clubs who have large squads have problems trying to play every player and it can be very difficult to get all the players on in the match especially when we are playing and trying so hard to win. If too many changes are made in a game it can unsettle the players and so the flow of the game. Unfortunately I cannot please everyone all of the time and everyone should realise that there will be some games that a player will not get a chance to play in.

Remember you are all part of a **squad** and not a team

Training

Training has started at the new Moss Lane Sports Park and I think everyone agrees it is much better and beneficial to the players. We have block booked the next ten weeks and will let everyone know if and when we book another ten.

Some players have told us that they can't make a training session for various reasons and that is OK as long as we know in advance. Our phone numbers are at the bottom of the newsletter.

Website

As I'm sure you noticed, the website has been out of date for a long time. But this is now fixed as Edward now has internet access from his new home in London and everything has been updated. Don't forget the address – www.hrhc.org.uk – and don't forget to give us your thoughts about the team on the forum! If anyone can't access the forum, has forgotten their password or anything, then just register again.

Subs Money

Can I just remind everyone about their subs: we are now paying for the Moss Lane pitch and some players are behind with their subs. If there are missed payments; then we will not have enough money to cover the training and referee costs which amount to £28.00 per week. Please can anyone owing subs try and bring them up to date as soon as they can. If anyone has any difficulty in paying please let me know.

Thanks for your support,

*Irene Bernard, Secretary.
